August 17, 2018

Dear Conservation Leaders,

The Lower Musselshell Conservation District Board of Supervisors would like to personally invite you to attend the Montana Association of Conservation Districts 2018 Area IV meeting. It will be on September 17, 2018 in Roundup, Montana. We will host the meeting at the St Benedicts Catholic Church Basement, 503 Main Street. Registration begins at 9:00 a.m. with coffee and treats and the business meeting will start at 9:30 a.m. All resolutions and written district reports must be submitted to the Lower Musselshell Conservation District by September 7th so that they may be copied prior to the meeting. If you have materials you would like to share with the other districts, please bring enough copies for everyone, as we will not have access to a copier at the meeting site.

The Musselshell Watershed Coalition Coordinator, along with two Big Sky Watershed Corps members, will give a presentation on projects in the Musselshell watershed. The Musselshell Valley Historical Museum, right across the parking lot, will be open for a tour after the meeting. The museum has an old Railroad map that shows all the changes made to the river in the early 1900s.

Please RSVP by returning the enclosed registration form by September 7th. Hope to see you there.

Sincerely,

Bill Bergin Jr
