Dear Conservation Leaders,

Fall is just around the corner, so it must be time for Montana Association of Conservation Districts Area Meetings.

The Area 2 meeting will be held in Sidney, Montana on October 5, 2023, with Richland County Conservation District hosting the annual event. We will be meeting on the 3rd Floor of the Stockman Bank Building at 301 West Holly ST. The meeting room can be accessed by the south facing single door and using the elevator to the 3<sup>rd</sup> floor.

Area 2 districts have the option of giving an oral report or submitting a written report. Other agencies have the same options. Please let me know if you need time on the agenda. If submitting a written report please submit it to me by September 29<sup>th</sup>, 2023. If you are giving a presentation that requires visual aids, please let me know so we can be prepared for you.

Registration forms are included and are due to the district by Sept 20<sup>th</sup>, 2023.

We look forward to connecting with our conservation partners in Sidney on October 5, 2023. We hope you can join us for some conservation conversation.

Sincerely,

**Ervin Goss**
